

Where luxury and nature combine to create a magnificent Spa experience

The beautiful Roodevalley hotel, part of the Faircity hotels group, will soon be launching a sublimely luxurious spa that has one enjoying all the pampering of massage and beauty treatments whilst experiencing the beauty of this breathtakingly lovely natural resort. Surrounded by a nature reserve and a bird sanctuary, the tranquil 'African feel' Roodevalley hotel offers a relaxed bush setting on the banks of the Pienaar's River in Pretoria.
